

Recharge your batteries with a Covid Safe Short break

2020 has been an exceptional year for the world and it's not over yet. Keeping your mind and body healthy is the most important thing, making time to do this can be difficult.

At Cornish Holiday we try to offer a covid secure safe place for you to relax and unwind. If you only want to get away for a few days then our larger property Bodannon can be booked for 3 days or more. Just a short walk from the beach and has its own private Hot tub to relax and unwind in.

If you would like to treat your dog to a run around the beaches then we do still have some availability at our St Columb Major Property, these are Saturday – Saturday bookings and a small charge for your dog - £35 for one dog or £60 for two.

(Dogs are welcome between November and March)

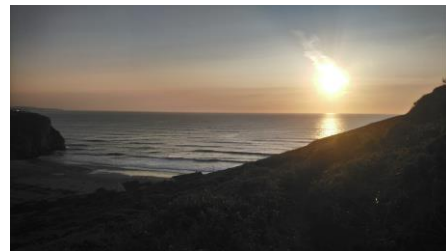

Perhaps you would rather give the gift of a short break, we are happy to help you arrange this. Alternatively we offer gift vouchers from £10 upwards to let your loved ones make their own choice.

We do hope you come and visit soon.
