Welcome to Cornish Holiday!

It feels as if a lot has happened since our last newsletter, what with the coronavirus pandemic the new variants, lockdowns coming and going its been quite the rollercoaster.

Here at Cornish Holiday we have been coping with not being able to open, then being able to open but on a reduced basis and only allowing up to six guests within their household and bubbles. Also other things such as we have had the setting up of hand sanitisers and QR codes at our properties, the enhanced cleaning required and ensuring our cleaners are trained and up to speed on what's required. Most recently we have by law had to collect the name and contact information for all our guests over the age of 16 who are staying.

However, we have been much more fortunate than many businesses who still aren't able to open or only on a very reduced capacity and for this we are very thankful. At the end of the day it's about keeping everyone safe, our guests and the local community and we are pleased to be able to do our very best to help with this.

We would also like to take this opportunity to say a huge thank you to all our guests who have stayed or are booked to stay for helping us out by supplying the information required, letting us know they are well and adhering to the government guidelines.

Holidays are now more important than ever. With the difficulties of travelling abroad at the moment and with most wanting to stay safe, Cornwall is looking forward to welcoming you. We regularly take part in the Cornwall Council and Visit Cornwall webinars to keep upto date with what's happening, keeping everyone safe and ensuring all guidance and legislation is met. So, if you would like to plan ahead our calendars are open.

Book that out of season quiet break or plan and look forward to next years holiday. We would love to welcome you.

Can't get everything in the car?

From time to time when we go on holiday we find that perhaps we can't get everything in the car. It's a struggle getting everything in the boot and on the roof not to mention packing things around the family. Then when it's time to go home again things always seem ten times worse and we wonder how we ever managed to get it all there.

We can help!

If you are staying at either Meadow Rise (St Columb Major) or Bodannon (Porthtowan) you are very welcome to hire (at additional cost) our **Beach Box**. This comes complete with a Body Board for everyone (complete with bags to carry them), Wind Break, Rug, Football, Boule set, Cricket Set, Buckets, Spades and Rock Pooling nets. The only thing we can think of we haven't put in are wetsuits as we just wouldn't know the size.

If this sounds something you would like to do (details are on our website and also emailed to you with your travel pack) just contact us 01264 335527 enquiries@cornishholiday.info and we will let you have the necessary information.

Give the gift of Cornwall.

The gift of a voucher for a fantastic break in Cornwall is a wonderful surprise. It could be for a Special Birthday, Mothers Day, Fathers Day, Anniversary or another special occasion, it may be that you just want to let someone know how much you think of them. Whatever the reason we are sure that giving the gift of Cornwall will make someone's day and show them how special they really are.

It doesn't get any better than giving someone you love the opportunity to go away to one of the most beautiful counties in the country which offers so much to see and do against a beautiful and stunning backdrop. There are some that would argue there is no better place in the world than Cornwall.

When you give a Cornish Holiday voucher it's not just a wonderful surprise and gift but a golden opportunity. The chance for a friend, colleague or loved one to choose which property and area they would like to stay in, they can unwind, relax and recharge their batteries. Maybe they would like to explore, visit wonderful and scenic places or to try something new. A gift voucher allows you to show that someone special how much you care.

Contact us to find out more or to order your voucher and we will send you a wonderful, personalised gift voucher in its own envelope along with a complimentary tote bag to help them gather together those little holiday essentials to take with them or to bring back keepsakes reminding them of the wonderful time they have had.

Perfect Position – Combine the best locations with holiday park facilities at this Property in Hengar Manor Country Park.

We were extremely fortunate that our Hengar Manor property had a full-page feature in the June / July edition of Cornwall Life. The article not only highlights the many features of the property but also mentions its great location in the Camel Valley and the Dark Sky status of Bodmin Moor. This is our latest property and certainly seems to be hitting the right note with our guests as we have had some lovely reviews.

We hope to welcome you very soon.
