Mousehole Christmas Lights

## Christmas in Cornwall!

Most think of Cornwall as a Summer Destination, but it really is fantastic all year round. Venture to Cornwall in the winter months and you will find a magical land of myth, legend, Christmas Markets and Santa Trains. It really shouldn't be missed. Add to this the roaring open fire of a traditional Cornish pub and you can start to imagine why Cornwall is becoming a must visit destination no matter what the time of year.

We can recommend spending time in the run up to Christmas in Cornwall and if you are there over New Year be sure to stand on a headland (safely of course) and watch the fabulous fireworks lighting up the sky over the rugged cliffs and sea. We feel sure there will be lots to choose from.

2021 will no doubt be a little different because of the pandemic. Some festive events are starting to pop up in calendars and online and we feel certain that this year will turn out to be as enchanting and wonderful, perhaps more so than previous years.

We have tried to list some of the events and markets in Cornwall this Christmas, but please be aware that events may be subject to change, and it would be wise to check websites and with individual attractions, so you know exact dates and times along with any possible changes and the latest visitor information.

With any of the attractions it's best to book tickets in advance.

We only have a few dates remaining this year if you fancy getting away, these are on our website but also shown at the end of this Newsletter.

We hope to welcome you in the quieter, enchanting winter months. Alec & Helen

## Padstow Christmas Festival

**Thursday 2 to Sunday 5 December 2021.**

This festival has become the go-to event for some of the country's most talented and celebrated chefs, who give up their time – free of charge – to take part. Along with the creme of our homegrown West Country talent, they inspire us with cooking demonstrations and share their top tips in the Sharp's Chefs' Theatre and on the Festival Stage throughout the festival.

Head to the Christmas marquee and indulge in the huge array of locally produced food and drink, crafts and artwork. It's a celebration of the great things the West Country has to offer. Don't forget to make a beeline into the town itself and enjoy its diverse collection of shops, boutiques, galleries, pubs and restaurants.

## Truro City of Lights Lantern Parade

**Truro City of Lights is a breathtaking parade of lanterns, music and dance.**

The lantern parade often starts at 7pm with the switch-on of Truro's Christmas Lights, but worth checking before travelling.

Please join us as we welcome winter with a light-filled parade through the city's streets. Every year, large-scale lanterns tell a different story, set to the beat of percussion, music and dance.

Truro schools and community groups come together with artists, musicians and dancers to entertain the crowds. More than 30,000 spectators line the parade route, which finishes on Lemon Quay.

The experience of Truro City of Lights lantern parade will stay with you for a lifetime. It's the most magical night of the year
