Family Fun on Porthtowan Beach

Following a recent assessment by Visit England at both our Hengar Manor Properties (No 91 and No 100) we are delighted that No 100 has retained its 3 star status and No 91 has also been awarded 3 stars. We are absolutely thrilled.

Hanger Manor is a fabulous holiday park where our two privately owned properties are located. It has recently undergone a million-pound refurbishment updating the facilities and is looking fantastic.

As our guests you have access to all the onsite facilities which include, Indoor Heated Swimming Pool, Tennis Courts, Fishing Lakes, Bar and Restaurant, evening entertainment and children's adventure play area. It really is the ideal site for a multigenerational break away; especially when staying at our properties which are located very close to each other. Sleeping upto 10 people, 4 in our Bungalow (No 91) and 6 in our Lodge (No 100) it means you can have a little bit of your own space while joining together to have lots of fun.

Please explore our website where we have lots of pictures and videos of our properties together with some suggested itineraries of things to do if you fancy venturing out and about.

Cornwall is a wonderful county to get away from everyday life and explore. Our self-catering properties in various locations across Cornwall all offer something different so we are confident you will find the right property for that perfect getaway.

There is lots to enjoy in this newsletter, our guest video, new digital guest book, spending time in Cornwall when you have retired and those wonderful multigenerational family times away.

We hope to welcome you very soon. Enjoy the read.

Guest video.

We know we have mentioned this before, but it makes us smile and gives us such a warm feeling that our guests have had such a wonderful time in Cornwall, it's always worth mentioning and watching again.

Some of our guests have very kindly sent us photos of them having a wonderful time when staying in Cornwall and have allowed us to share them with you. Please feel free to follow this link to our YouTube channel and see the fun and enjoyment they all had. <https://www.youtube.com/watch?v=tgrAy06Jxqo>

Digital Guest book.

Over the coming weeks we will be setting up digital guest books for all our properties. These are absolutely fantastic and we believe will really enhance your stay, giving you all the information you need to help you plan your visit before you arrive. It will give you all the information you need about the property, how to get in and what to expect upon arrival, and also while in Cornwall you will have everything at your fingertips. It is filled with information about the local area, beaches and places to visit and see.

We will be using a piece of software called 'Touchstay' and we will be able to text or email this to you.

Reviews about Touchstay say:

Guests love it!

One of the best things we did for our Guests and Owners – replacing our creaking old paper with smart digital guidebooks. Touch Stay makes us look good, and Guests love it!

Retire, relax and explore Cornwall.

You have worked incredibly hard all your life and have now reached the point where you can take it easy. Retirement is a wonderful time, thinking about and planning all the things you have always wanted to do but never quite had the time, gardening, DIY, hobbies, spending time together or perhaps some time away – a holiday.

We would love to welcome you to one of our warm and cosy properties, in various locations across Cornwall.

Did you know Cornwall has been voted one of the best places to retire in the country? Low crime rates, a good selection of local shops, variety of pubs and restaurants and access to the beach or sea are some of the things retirees consider.

We also understand the importance of family time, whether you are looking from it as a grandparent or through the eyes of a child, spending time together is so, so important.

When you go away as a family spanning several generations, it is the most wonderful thing. As a grandparent spending time with your children and their children is just magical and for the youngsters you are creating memories which will stay with them forever.

A multi-generational break.

Bodannon, at Porthtowan is just 400m from the beach, sleeps eight with two en-suites and has a Hot Tub so is ideal and has something for all the family. Just imagine watching the youngsters playing and running on the beach and then hearing their giggles as they enjoy the bubbles of the Hot Tub.

Our two properties at Hengar Manor Country Park also offer wonderful self-catering accommodation for the whole family to get away. Having two properties very close to each other is ideal for getting away with the whole family. Our three-bedroom lodge (No 100) sleeps six and our two bedroom bungalow (No 91) sleeps 4 so you can spend time together but also have your own space to just chill out. The site has lots of facilities for the youngsters, indoor heated swimming pool, tennis courts, fishing lakes, evening entertainment along with a bar and restaurant. Located on the edge of Bodmin moor and not far from fantastic beaches on the North Cornwall coast you are sure to have a wonderful time.

In fact, if you book both together, please contact us and we will gladly give you a discount.
