Friends enjoying each other's company down at the beach while staying at Bodannon

Friends and families enjoying their time together while away.

Meet up with Friends and Family.

Friends and family can mean so much and what could be better than meeting up with them on a sun-drenched beach in Cornwall? Perhaps even all going away together or meeting up at a festival or event.

A change of scenery, A breath of fresh air, good food, drink, and wonderful company is the recipe for enjoyment, contentment, and a happy healthy life.

All this is available in abundance when you visit Cornwall. Some of our guests very kindly email us pictures following their stays and its clear to see just what a fabulous time they have had. It really doesn't matter what time of year you visit; you may like to take long walks along the cliffs in the quieter months (October and November or January and February) or perhaps soak up the sun on a golden sandy beach in the summer. We are all different and take pleasure from different things, however statistically it does everyone good to have a holiday.

Google says, 73% of people get some kind of health benefit from taking a holiday and 52% thought travelling was good for their relationship. Also, research from the family holiday association has shown that 49% of Brits have created their happiest memories whilst being on holiday with their family. Furthermore, nearly a quarter (24%) of people surveyed said that they call on these happy memories when times get tough.

Don't take our word for it, give it a go

We hope to welcome you, your friends and loved ones very soon. Enjoy the read.

Alec & Helen

September – Motorsport Month in Cornwall.

Cornwall is famous for its scenery, food and golden beaches but did you know that it also has a thriving motorsport community with a wide variety of events taking place throughout the year.

This has culminated in showcasing some of the best events on both two and four wheels throughout the month of September, now known as Motorsport Month,. This includes the Watergate Bay Sprint.

Planned for 17th / 18th September 2022

CORNISH MOTORSPORT AT ITS BEST

Nestled on the stunning and highly popular North Cornwall coast between Newquay and Padstow, after making history in 2018 as a Hillclimb, the two-day closed road speed event became a Sprint in 2021 and that format continues in 2022. Watergate Bay Sprint provides competitors with a unique closed-road challenge and spectators with superb viewing.

Camel Vale Motor Club will support Watergate Bay Motorsport in 2022, helping to organise the popular Watergate Bay Sprint planned for 17 & 18 September.

Camel Vale Motor Club, based in Bodmin will join forces with Truro & District Motor Club, Newquay Auto Club and Plymouth Motor Club who have organised the event since its inception in 2018, pooling their wealth of experience and knowledge together to organise this spectacular sprint after it originally starting life as a Hillclimb.
