# Merry Christmas.

We would like to wish each and everyone of you a very, very Merry Christmas and a wonderful new year.

If you are staying with us, we do hope you have the best time ever and stay warm and cosy in our fantastic accommodation making memories which will stay with you for a lifetime.

We know we say it a lot, but Cornwall is outstanding any time of year. Spring brings bright colours as the bulbs start to emerge, deserted beaches and bracing walks along the cliff tops and beaches. The summer brings all the excitement of the beach, water sports and the warm weather. Autumn is full of golden colours as the foliage on the trees change, the crowds disappear and once again the tranquillity of walking along a deserted beach becomes a reality. Winter and the run up to Christmas is just magical, with special events, bright lights bring to life the town centres and small fishing villages. Lantern parades, festivals, shopping nights and Father Christmas doing his rounds makes Cornwall a truly unique place to make memories that you will never forget.

Whenever you come and stay, whether it is with us here at Cornish Holiday or another accommodation provider, please enjoy Cornwall, soak up the atmosphere, make lots and lots of memories and promise to come again very soon.

Enjoy the read and your time in Cornwall.

Happy Christmas.

Alec & Helen
